

## **Francis John Pinot Noir**

Vintage 2007

### **Winemakers Comments**

An elegant style of Pinot Noir with lifted aromas of cloves and red currant underpinned by secondary fruit characters of dark cherries. The palate is layered and complex showing good integration of fine, drying tannins and savoury gamey tones. Hint of cocoa and lingering acidity to finish.

A true 'burgundian' style Pinot that has texture and body, with a balance of rich fruit and savoury characters

### **Cooking**

This wine is great with duck, lamb and beef. It also works really well with dishes that feature mushrooms. A favourite match of ours is mixed mushroom and pinot noir risotto (see our website for recipe).
