

The Handcart Shiraz

Vintage 2009

Golding Market Series

The Golding Family's merchant history had its origins in the East End Produce Markets in Adelaide, where they established its first ever apple and pear merchant store called Golding Bros. Sourcing the freshest and best from the Adelaide Hills. The Market Series range was designed to celebrate that history. 100% Adelaide Hills fruit that gives you fruit driven elegant wines designed for every occasion.

Winemakers Comments

The Handcart Shiraz is made from premium cool climate fruit sourced from the northern part of the Adelaide Hills. It is richly perfumed with bright cassis berry fruit flavours on the nose. Matured for 12 months in older French oak this wine has lovely savoury notes and nice dry finish. It is made to drink now to three years. Enjoy with any red meat or game dishes.
