Golding Market Series

The Golding Family's merchant history had its origins in Adelaide's East End Produce Markets, where they established Golding Bros, the first apple and pear merchant store. Sourcing the freshest and best from the Adelaide Hills, the Market Series was created to celebrate this history. These elegant, vibrant wines are made with Adelaide Hills fruit – they are perfectly suited for every occasion.

Tasting Note

The parcel of fruit for our 2013 Lil' Late Harvest Sauvignon Blanc was the last arrival at the winery for Vintage 2013 after being left on the vine to mature until early May.

The extra time ripening under the late autumn sun intensified the fruit characters, delivering an elegant wine with luscious mouth feel.

On the nose it has lifted aromas of apricot and guava. The palate is laden with tropical fruit flavours, followed by a bright and crisp finish.
