

THE EXCHANGE CHARDONNAY

VINTAGE 2019

Golding Market Series

The Golding Family's merchant history had its origins in Adelaide's East End Produce Markets, where they established Golding Bros, the first apple and pear merchant store. Sourcing the freshest and best from the Adelaide Hills, the Market Series was created to celebrate this history. These elegant, vibrant wines are made with Adelaide Hills fruit – they are perfectly suited for every occasion.

Tasting Note

The Exchange Chardonnay is made from premium cool climate fruit sourced from our Western Branch vineyard.

Pale straw in colour with lifted aromas of nutmeg and spice, this Chardonnay offers bright citrus and peach flavours on the palate. A delicious toasted cashew character gives way to a crisp and lingering finish.

Time to leave your Chardonnay hang-ups at the front door; this approachable and classic Adelaide Hills style Chardy will have you rethinking your chilled white options next time it the big hand reaches wine o'clock.
