

Golding 20th Anniversary Sparkling Shiraz NV

G O L D I N G

“In life there are some moments worth marking with a celebration.

The 2022 vintage marks our 20th anniversary and we thought this deserved a special celebratory wine to commemorate the occasion. We are happy to introduce you to our Sparkling Shiraz.

Dark and voluptuous, with juice plums and layers of spice, this Sparkling Shiraz is a wine worthy of a special celebration or equally, a casual Sunday roast. We think it is who you drink it with that count”. **DARREN & LUCY GOLDING**
