

Golding Ombre Gamay 2022

G O L D I N G

“Let us introduce you to our Ombre Gamay. A juicy, vibrant, medium bodied red wine that will make new friends wherever you take it to share. Such is the lure of a bright and balanced Gamay.

We have always loved drinking Gamay and we had a pretty good hunch that the gentle slopes of our cool climate vineyard in the Adelaide Hills would be the perfect backdrop to begin our own Gamay growing adventure. We planted in 2014 and we could not be happier with the results. As one of the first to produce a Gamay in our region, we are now happy to be in the company of many others as this variety happily settles in and finds a new place to call home in the Adelaide Hills”. **DARREN & LUCY GOLDING**

Historically cast in the shadow of its varietal neighbour Pinot Noir, Gamay is enjoying a timely moment in the sun.

Vibrant in hue and exuberant in youthful personality, this wine delivers juicy red berry fruits on the nose with subtle spice and fine tannins on the palate.

“As seen from above, our Western Branch Vineyard becomes a jewel-like mosaic of varietal blocks and waterways, captured beautifully in our Single Vineyard label illustration”.
