## G O L D I N G

“Long before the sun rose and filled the city streets with light, the voices of the hardworking market merchants rang throughout the East End as they spruiked their fresh produce to traders searching for the day’s best deals”.

### GOLDING MARKET SERIES

The Golding Family’s merchant history had its origins in Adelaide’s East End Produce Markets, where they established Golding Bros, the first apple and pear merchant store. Sourcing the freshest and best from the Adelaide Hills, the Market Series was created to celebrate this history.
